### District 7 Office-

Jeff has filed a letter of Hold Harmless with Linda SoRelle and John Murphy. We are to be placed in bad standing Feb 8<sup>th</sup>. If the fees are not paid. Jeff has filed a request with John Murphy to vacate the District Ruling. Jeff has requested a meeting with the other league Presidents to try and negotiate a settlement. One idea is .25c per rec. player& \$1 per comp. player.

### Odyssey-

Review of Ahmad Tousi's contract. \$1500 monthly with incentives for additional programs. A nicely done coaches manual is already complete. Tousi will have no administrative functions with teams or parents. His sole purpose will be to train & develop COACHES. Spring will be crunch time as far as scheduling, with an emphasis on teaching. Motion by Mike Blackford, 2<sup>nd</sup> by Sally Godfrey to execute the contract with Ahmad Tousi to be Odyssey Coaching Director. Vote unanimous.

### Budget-

We need to improve our budget & reporting situation. Mike Hodges would like to have an outreach fund. Jeff will look at corporate sponsorships.

### League DOC-

Discussion regarding DOC. The idea is a good idea, as our coaches need to have better training. We need to look at re-establishing this position in the near future.
