Board of Directors Meeting Minutes

February 15, 2017 AGM

Call to Order: President Carmen Saucedo called the meeting to order at 7:04 PM.

Roll Call: (Attachment A) Taken by sign in sheet.

Minutes: Minutes from last year's AGM are posted online. They were ratified at the March 2016 meeting.

President's Report: Three years in service. We are finally at the point where we are not having to fix past issues and can concentrate on improving the programs to continue player growth.

VP Gold: John has worked on more outreach to improve communications with clubs. He is finding that there is confusion over the roles of Crossfire, FC Clovis, & CJSL. There is lots of confusion over the new playing rules, we are working to improve that.

VP Blue: Kelley- Thanks to the Blue unit for stepping up and helping with all the various events that take place, especially during last minutes changes when needed.

VP Red: Thanks to all the clubs who stepped up and hosted games & painted fields.

Registrars: Appreciated the patients and help in getting teams & players situated.

Treasurer's Report: (Attachment B) Not as much profit as last year. Registration is down a bit. We have had an increase in equipment due to player mandates, and in costs for additional office space.

Commissioners' Reports: Rachele Quaschnick's (Reagan) last meeting. Wanted to tell new commissioners to stick to their beliefs when dealing with issues. Also wanted to say thank you to Kelley for all the help over the years.

FC Clovis: Registration is open for spring league.

Crossfire: They have tryouts ongoing. It seems that there is more cohesion between programs more than before. Looking forward to a big year.

TOPSoccer: Still looking for a program director.

Referees: James currently has a class taking place. Another class will take place in March.

Players: If you need help placing a player for Spring League please let Patrick know.

Public Relations: The Dick's sponsorship for this year is being developed. A renewal of our partnership with Fresno Fuego is also possible again this year.

Fields: Field space is being taken up by every sport imaginable. Baseball has top priority at this time of year. If a baseball team is at your site move to a part of the field away from baseball. Thank you to all the clubs who hosted games and kept the fields painted.

Good of the Game:

U6-U8 academy has 50 players participating.

Crossfire: '04 boys, '06 boys, '05 girls are all State Cup champs.

Election: Only one candidate per position up for election. All candidates were re-elected.
