Minutes: Correct 2 mis-spelled words, first item under rule changes to read "Page 11, Rule 7:04:14"

It was moved John Briar and seconded Sergio Venegas to approve the Feb. '04 meeting minutes as amended. The motion passed.

Treasurer's Report:

(Attachment A)- End of Year Report. All clubs need to clean up accounts receivable to avoid placement in bad standing. Clubs must file a separate Tax Return if they handled over \$25k. Jeff would like to form an audit committee to review club accounts. NOTE- all clubs must file a year end report to avoid being placed in bad standing.

It was moved Joel Chaidez and seconded Tom Copeland to accept the Treasurer's Report. The motion passed.

Old Business:

- Equipment Return – Only one club has called to schedule equipment pick up. All league owned equipment must be returned. Jefferson & Maple Creek are still missing goals used for tournaments.
- Teen Program – Short presentation by Sergio Venegas on the workshop held with the intent of approving the Teen Program for next year. (Attachment B). Sergio would like a hardship program incorporated into the Teen Program.
- Appointed Positions – The following board positions have been appointed and are up for approval

Boys Coordinator	Paul Dorris
Girls Coordinator	Gloria Dorris
Fields & Equip.	Ken Taylor

It was moved Sergio Venegas and seconded by Tom Copeland to approve the nominees as a slate. The motion passed.

New Business:

- Full 90 Headgear – Short presentation on new FIFA approved headgear designed to help prevent concussions. Available at local retailers \$29.95
- Game Field Selection – Field request will be accepted as of March 1st. Discussion on how to fairly distribute our playing fields. Selection needs to be flexible, as brackets are done on short notice. Guidelines for field selection should be done by committee. Sergio Venegas, Mark Dodd, Mike Hodges, John Briar will work on criteria. Report expected for the May meeting.
- Pinedale- (Attachment C) Pinedale is \$670 behind in fees again this season. It is apparent that we may need to merge Pinedale with another club. There is no communication within their own club. A minimum solution could be to take away control of their bank accounts. Pinedale as a school is struggling to stay open as a school; they are below the expected attendance level. Diane said she did not believe it would be a problem to bring those players to Nelson. This item tabled to the April meeting.
- Top Soccer- There will be a symposium on April 3rd for people interested in the Top Soccer program for developmentally disabled kids. Cost of the session is \$35. Jeff will authorize the League to cover the cost of sending

7 or 8 people to this event. The group attending this event is to bring a proposal to the May meeting for hosting a Top Soccer program at CJSL.
