Treasurer's Report: Budget Proposal-
league past years had 10,000 profit
last year 44,000 profit
2 weeks ago we did taxes 2015 , plan is open an investment acct.

proposed budgegt 2016
proposed small increase for clubs / players to budget assist registrar and staff asst.
2.00 increase u6-u12
fc clovis will go from 73 to 75 a player and Crossfire will go up 4.00 a player

TOPSoccer remains the same- most of money will staff office and take away alot of duties our volunteers are doing

Art asks why are we investing money and increasing fees ?
Elba states per cpa we need to invest
Carmen suggested example for fields, we are losing fields every year elm , high schools etc we need to look into purchasing land. are main focus is fields

We have always had an investment fund to pay for lights etc like we did at east and north

Rachelle states we were told no increase
Carmen that is true but there is so much more the league needs to run the office we need hours open and staff
Summer states the evaluations biggest suggestion was communication and office hours so this is helping us

Century strongly says yes to new registrar

Elba- proposal is if there is money left over after year to always put in investment acct. League needs a complex we are the only ones that dont have it

Jimmy says every year we go up clubs go up
Carmen states if we dont get volunteers to do it then employees have to do it

Gus states if money goes toward complex and office staff , as long as someone is at the office he is for it

Rachelle agrees / Andrea needs help
she also states Comm/ Registrars need to make sure everything is inputed correctly to make things easier for Andrea

Jon states cusd is trying to work with city and wants to make fields at miss winkles and would like us to put in bathrooms and seed field to share with cusd.
Jon says doesnt make sense to share access with cusd
I dont want any kid not to play soccer / help them, give them a hardship

Fields are worse / lights / Jon is worried we will keep losing fields we need to work towards a site

Question can we get councilman involved ???
Yes we could go to cusd meeting get media involved
Fort Washington purposes to have all clubs meet and multiply at cusd meeting to be heard it will take everyone to do it.
Andrea suggested a flyer
Elba said meeting
