Previous Minutes-

Motion to approve, Janine Eldred, 2nd John Gross. Vote unanimous.

Treasurers Report-

Report presented with some inaccuracies. The E-board will review reports at the next meeting. This board needs to find a new treasurer in the very near future. No vote was taken to accept this report.

Registrar's Report-

Bob reported that only 6 people showed up for the registrars meeting. This is an indication that registration will be a total mess. A second registrar's training session will be held Aug. 16th at 7:30 in the office.

Reinstitution of Fines-

A discussion was held regarding fining clubs for lack of attendance at mandatory meetings. At this time fines will not be issued, but this may need to be revisited if attendance does not improve.

Website-

We are working with a consultant to develop both sites with a consistent look and navigation. The work will be done under the allotted budget (approx. \$700 comp. & \$1200 rec.)

U8 Tournament-

Mike Hodges. Would like to reinstate the U8 tournament as a fee based tournament to cover awards & refs. Fees would be limited to \$50. Discussion; Jeff stated that the league would cover the Ref's cost (approx. \$1k). A problem that needs to be addressed is teams not showing up for games after they are out of the running for trophies. Motion to continue the U8 tournament, Mike Hodges, 2nd Mike Blackford. Vote Unanimous.
